## TABLE OF CONTENTS

It has been said that "spirit" is an important force in all our lives today, and this certainly is true for students of Lindbergh High School. It is then important for us as students to have a full understanding of what "spirit" is, what "spirit" does, and what "spirit" can do. The entire SPIRIT staff's objective thus is to explain meaningfully "spirit" as it is reflected in LHS students.

Dedicatee William Elkins, English Team Teacher, takes a thoughtful look at his gradebook.

Because of the enthusiasm and service shown by the famed Sarge of English III, Mr. William Elkins, to the students and their welfare, the 1967-68 SPIRIT Staff dedicates this book. As a faculty member for ten years he has served as Junior and Senior sponsor, head of the photography club, member of the Athletic Council, and Adviser to the Hangar Committee.

Mr. Elkins attended Mizzou for two years then joined the Marines. Later, he earned a B.S. from Washington U. and an M.A. from Austin Peay College in Tennessee. As a tease, the ever-loyal Lindbergh booster, and "go-get um" coach for the faculty volleyball team, Mr. Elkins cannot be topped. All these things make Mr. William Elkins a most deserving dedicatee.

"Here he is--Mr. Dedicatee"

"Chug-a-lug, chug-a-lug."

## LHS LOOKS

Lindbergh's annual Pep Rally started the season rocking  
 . . . a new spirit sparker was added to LHS, the Spirit Ghost  
 . . . and once again the gridiron was the hub of Fall activity.

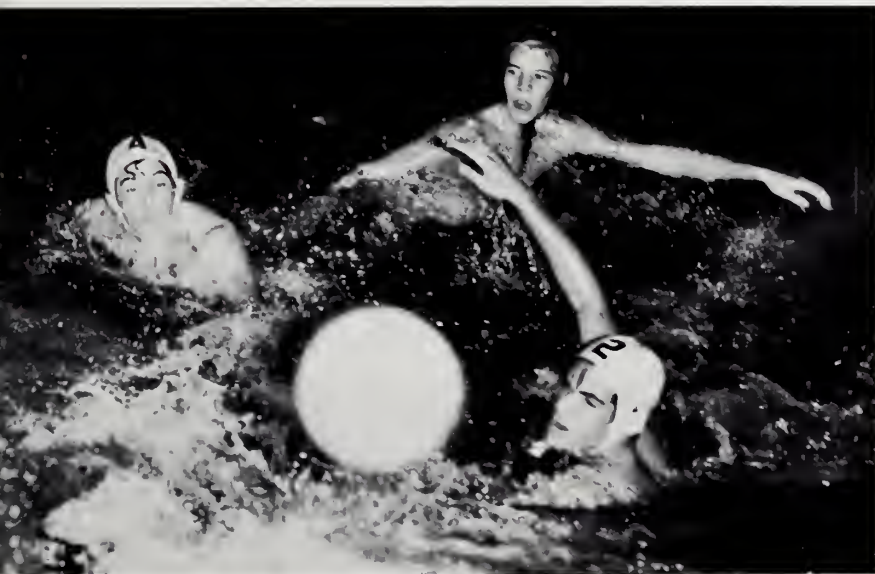

# BACK ON A MEMORABLE YEAR

This yearbook has been designed to show that Spirit touches the lives of everyone of us in some manner as we progress through the years at Lindbergh: the friendships that are made and remembered, the skills and talents that are developed, the past times, good and bad, that are never forgotten.

So, it is in retrospect, a looking back on things, the spirit past, that is the purpose of this yearbook. Go back with us now and relive those experiences which had an effect on the lives of everyone of us in some manner, whether we actively took part in them or not.

The crowning of Sandy Nackenhorst as the 1967-68 Sports Queen highlighted the fall season.

The Water Polo teams pitted forces for another successful year.

... and the band played on.

Nine Seniors portray future plans in the annual variety show . . .

## STUDENT TALENTS SCORED HIGH

The faithful shout, "Rebound!"

Every year hidden talent at LHS is brought out in the annual Variety Show. Other Lindbergh talents are shown in sports and in dramatics. As always there is basketball, but soccer surprisingly attracted a number of boys. The annual One-Acts allowed students to show their acting and directing abilities.

# ACADEMICS

"The teacher is like a candle which lights others in consuming itself." At our school this consuming fire is the teachers' desire to help others whenever possible. It is not an easy job to teach; a teacher must guide students through dark passages in order to help them succeed in preparing for the future. An endless amount of enthusiasm for his subject and job is the enlightening spirit of an LHS teacher.

Mrs. Lorch keeps a watchful eye on the cutting process.

A smile eases the learning, according to Mr. Goodwin.

Mrs. Gregory's office work never ends but just keeps rolling on . . .

## ADMINISTRATION

The superintendents, assistant superintendents, and the Board of Education work together to control the district's policy which in turn affects the Senior High. LHS principals strive to maintain educational continuity in the classroom as planned by the superintendents and the board.

## ENGLISH DEPARTMENT

English is the universal language of mankind. At Lindbergh the fundamentals of this language are not the only phase of the curriculum. Both the sophomore and junior classes study six books a year. In all sophomore classes, students are assigned an autobiography. For the first time in the Junior English classes the Bible was studied as a literary work. Other juniors participated in the team-teaching program which consists of lectures, discussions, and independent studies on phases of American Literature. In senior classes compositions and term papers are required to help the student prepare for later years in college.

This year LHS began a new computer course for all science and math teachers. The program is another step toward broadening the scope of educational efforts; or in the view of Supt. Noah Gray, "an experiment in the application of technology in teaching." Two computer systems are being used in this experiment, one at Middle School and one here at the Senior High. There are seventeen participating teachers of math and science who received special training in the use of the computer terminals. At the end of this school year each teacher was asked to evaluate the system. "Perhaps we will find that computers can be used in the teaching of reading, arithmetic, languages, and fine arts as well as science and higher mathematics. Only time and experience will tell," asserts Supt. Gray.

## NATURAL SCIENCES

The science courses offer a variety of backgrounds in the field of science. Many areas are studied to promote a better understanding of scientific principles. In this type of class, laboratory investigations are designed to establish a relationship between the actual material learned in the textbook and student

experimentation. The laboratory work promotes a better understanding of the material being taught and stresses the ability of the student to learn about careful observation and procedures, which are essential for further study in the scientific field.

# SPEECH AND DRAMA

MRS. DOROTHY THOMPSON, Drama, Speech I, II, Variety Show, Junior Play, Masque Club, Thespian Society; MISS MARY GOTTING, Speech I, II, Variety Show, Thespian Society.

In speech class students learn to express their ideas clearly by giving speeches to entertain, inform, persuade and stimulate audiences. Group discussions and debates are included as part of the course. In connection with Speech is Drama. Students present cuttings of plays and also learn the history of the theater.

# MUSIC

MR. ROBERT REEP, A Cappella Choir, Chorus, Music Appreciation.

MR. LOWELL BRUNNER, Band I, II, Stage Band; MR. ROBERT TOBLER, IHS District Instrumental Music Director; MR. PAUL CORRELL, Orchestra.

The music department offers a variety of activities to students. A Cappella and Chorus classes teach fundamentals in group singing. The band and orchestra help students perfect their instrument playing and learn to blend with a group. Famous composers are studied as well as various forms of music. Throughout the year, the choral and the instrumental groups have concerts to display the progress of the students.

# FINE ARTS

Creativity is an important element in the fine arts classes which help students excel in areas that interest them the most. Under the guidance of their teacher, many talents are developed and new talents created. The opportunity of advancement to higher levels is present in several classes.

# DOMESTIC ARTS

This year the home economics department added half-year courses in Food and Clothing. The Clothing classes were encouraged in their sewing by having their work displayed in the showcases. Themes for the cases were developed by the girls themselves. Throughout the year classes were visited by representatives from various food companies. These experiences enabled the girls to gain a better understanding of homemaking.

MISS BEVERLY BARKER, Basic Home Economics, Home Economics III, Home Economics Club; MRS. HOPE LORCH, Clothing I, II, Senior Homemaking, Home Economics Club; MRS. MARILYN GUY, Clothing I, Food I, II, Twirling.

# CLASSES

Although students always remain individuals, as members of LHS organizations and teams, they learn to work with others as "one" to make a unified group. "Spirit" comes alive as students participate in activities dealing with academic abilities, sportsmanship, student government, and the creative arts. These pursuits have as their purpose the betterment of Lindbergh's students and curriculum.

The introductory Tea marked the beginning of activities this year and was followed by a series of activities including: the One-Act Plays, Sophomore Workshop, Variety Show Skit, Spirit Week Melodramas and Contest Work. Under the sponsorship of Mrs.

Thompson and Miss Gotting, members may join the National Thespian Society by earning a number of points in Drama Club work. This year, the Drama Club's annual spring banquet was entitled Cabaret. At this banquet the Masque presented its own "Academy Awards" to the best actors and actresses for the year.

SPIRIT IS . . . being on the football field freezing, and seeing the entire stands packed with fans wrapped in blankets; SPIRIT IS . . . thinking you can't run any more and hearing the crowds urging you on; SPIRIT IS . . . having the cramp in your leg hurt so badly you can't swim any more, and hearing and seeing the anxiety of your audience; SPIRIT IS . . . thinking that starving to get down to your weight class isn't worth it, and being coaxed on by your classmates; SPIRIT IS . . . making the winning basket in the last second, and feeling the gym vibrate with a cheer; SPIRIT IS . . . knowing that this is the putt that counts, and feeling the tension of the onlookers; SPIRIT IS . . . getting congratulated when the tennis match was won without your help, because it was your team; SPIRIT IS . . . jumping so high you felt you'd never come down, and hearing a heartwarming yell; SPIRIT IS . . . feeling the support of the crowd when you have been hit with a hockey stick; SPIRIT IS . . . winning a good volleyball battle and feeling a sign of congratulation; SPIRIT IS . . . '67-'68 was the first season for soccer, LHS's newest sport. Although no records were set the turnout was of great number and Lindbergh stood up well under tough competition. Judging from the fans and members of the team it seems that Soccer will soon become a future popular sport at LHS. Coaching the team through the season was Mr. Vincent Range.

Doug Feco "flies through the air with the greatest of ease."

Of the many unique actions at Lindbergh, this year's swimming Flyers were the first to tie a meet since the beginning of LHS swimming. The overall record was thus finished at 12--2--1 against such opponents as St. Louis U. High and Kirkwood. Although this year's team consisted predominately of underclassmen, they finished fourth in their conference, third in district and ninth in the State Tournament. Matt Pross set two new school records in the 50 yard freestyle and the 100 yard freestyle, breaking those set in 1966. Chuck Reller set a new 400 yard freestyle time of 4:15.9, and Paul Berri topped the season by breaking a school and a district record for the 100 yard breaststroke. At the diving end for Lingbergh, Doug Feco finished second and Roy Beal finished sixth.

I can fly!

## GOLF

This year several records were set by the LHS golf team. They won 1st in state qualifying at St. Charles, 1st in St. Louis District, and 3rd in State. The capabilities of the team were shown as their competitive scores for the state tournament for the last nine holes proved to be the lowest of all four competing schools. According to their Coach Lema this was due to their ability to adjust their talents to any course. Mike Stelmach won 1st in both District and State and Jim Haupt was runner-up in State.

Kenny has played football and basketball and for two years has been a varsity letterman. In football he was the first Lindbergh student to make All State. He was also selected for All Conference, All District, All Suburban, and All Metro.

# GIRLS' INTERSCHOLASTIC SPORTS

The 1967-68 school term was the second year for girls' interscholastic sports. Miss Young coached all five teams: field hockey, varsity and junior varsity basketball and volleyball. Practicing many hours during the fall proved its worth when the field hockey team met its foes. The team had only one goal scored against them in the entire season. After field hockey the girls began learning basketball techniques. Both teams were successful, and the varsity was undefeated. Although the varsity volleyball team didn't match the other two teams with a perfect record, their showing was respectable. They lost only two out of eight matches.

# ACTIVITIES

The romance of a coffeehouse, a trip to Broadway, a medieval castle, and leprechauns, were only the beginning of another year of dreams-come-true for LHS students. School spirit, energy, willingness, and plain hard work combined to provide added attractions for Lindbergh's student body in '68.

Ken Faerber and Sharon Bowers proudly accept their honors as Mr. Green and Miss Gold.

Oriental wonder and charm surrounded those who attended the annual Junior-Senior Prom. Japanese lanterns, the band pagoda, a steaming volcano, and a mounted gong all added to the mystery of the Orient. The evening's excitement reached its peak with the coronation of Senior Miss Janet Foerstel, who received her crown from Miss Chris Palecek, retiring queen.

# “A BIT OF BROADWAY”

Variety Show  
1967-68

So what's with the white socks?

Excedrin headache number 68.

It's sing-along time.

They'll just never grow up!

This season "A Bit of Broadway" sparked the LHS stage as the 1967-68 Variety Show. Under the direction of Miss Mary Gotting and Mrs. Dorothy Thompson, with student directors Linda McKenna and Becky Benard, over 300 students worked to make the Variety Show a two-night sellout. Cast and crews also traveled to Afton High School to present an exchange program.

Sounds of music.

You really got a hold on me.

# SPIRIT WEEK

The LHS Student Council initiated several new Spirit Week activities this year. Monday began with the Continental Breakfast. Foreign Exchange students from other schools were on hand for the breakfast before visiting classrooms. There was an exciting Color Day Assembly on Tuesday that displayed the dubious volleyball talents of the faculty versus the seniors. Wednesday night was student activity night with all gym facilities available. On Thursday the annual dress-up day prompted a rare sight--girls in heels and boys in suits. Having declared Friday Slave Day, Student Council members were at the mercy of students for a price. Throughout the week there were such odd contests as the prettiest basketball-player legs, the biggest cheerleader muscles and Nature's Mistake, the ugliest boy in the school.

Mirror, mirror on the wall, who's the fairest of us all?????

Judy cross my palm with silver and the future is yours.

He won again! Randy Engle really ate those pies for first prize.

At the annual Melodramas "crazy" acting abilities are shown by LHS students.

From the most muscular girl in school . . .

to the seemingly "strongest!!"

Nature's Mistake keeps getting another pie in the face!!

"The Miracle Worker," Ann Sullivan, meets Helen for the first time.

## JUNIOR PLAY

The story of Helen Keller's escape from the world of a blind, deaf mute was presented by the junior class in "The Miracle Worker," by William Gibson. The play was directed by Carol Mouser with the help of Mrs. Dorothy Thompson and Mr. Steven Rauscher, a student teacher.

Annie shows emotion over the small gift and brief recollection of her life before the Kellers.

A douse of water helps awaken Helen to her new life.

Helen learns to cope with jealousy when Annie shows preference to a servant.

# ONE-ACT PLAYS

The entire cast of "Castle in the Village" take a bow at the finale.

Prospective renters hassle over their common interest.

Etta Mugford suffers with her husband as he painfully reminisces.

Unlike many other plays, anyone can participate in the One-Acts. The plays chosen for this year's performance were "The Lottery," directed by Sue Locke and Sharon Boeker, "Castle in the Village" directed by Heather Blair and Candy Carlisle, and "Mooncalf Mugford" directed by Pam Thompson and Barb Frederick.

Lydia and Miss Llewellyn discuss the problems of the apartment for rent.

# CLASSES

During this year the classes have kept their traditional yelling contests, but they have also worked together in clubs and different activities to carry out such events as the carnival during Spirit Week. Elections, with their battle cries, help to develop class unity, but dances and sports help each class to realize that to make some events succeed all must work together.

Anything you can do we juniors can do better!

On color day classes blend together.

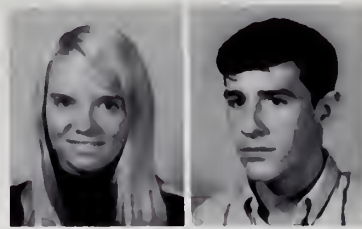

The annual Variety Show never fails to bring out LHS's best senior talent.

They said it couldn't be done--seniors and sophomores working side-by-side on The SPIRIT.

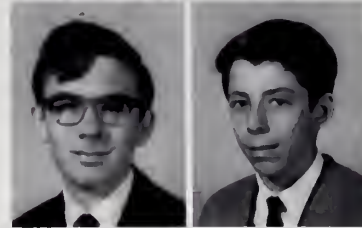

# SOPHOMORES OF '70

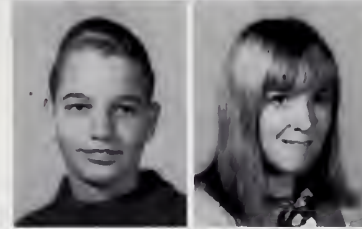

To a sophomore, high school is a new, different challenge to attack with the spirit to learn and explore. It's making new friends, joining clubs, and experiencing the many worthwhile things new friendships can bring.

... SPIRIT is the people of LHS.

To LHS Students,

Probably most of us won't remember all the highlights of '68, but we, The SPIRIT Staff, have tried to capture those that will be most memorable in the years to come. Throughout the book, in the reflection of all these activities, has been portrayed the force we feel is embodied in LHS; that force is "spirit"--the spirit of participation, effort and enjoyment.

My thanks go first to the staff members who worked so hard and faithfully after school and in the wee hours to complete this book. I hope they enjoyed it as much as I did. Next, I want to express my gratitude to our sponsors, Miss Bray and Mrs. Scully, without whom we would never have produced a '68 SPIRIT.

The staff and I also sincerely appreciate assistance from the following people: Mr. Leroy Amen, Mr. Harry Swain from American Yearbook Company, Miss Sophie Parashak and the photographers from Vincent Price Studio, Mr. Tom Sides, Mr. Robert Laacke, THE POST DISPATCH, THE GLOBE DEMOCRAT, PROM Magazine, The PILOT, Mr. John Glassen from Beckett Bindery, the office secretaries, and the English Department.

Jill Schmiemeier  
Editor-in-Chief

Spirit is . . .

having a "spirit" your very own.
